JULY 15, 2020

## BOARD MEETING MINUTES

### A) OPENING

- 1) Call to order: The meeting was called to order at 1:04 pm.
- 2) Establishment of a quorum

Board of Directors Members Iggy Fedoroff, Bill Rice, Laurie Mileur and Cecilia Montalvo were present. Director Barbara Bronson-Gray joined the meeting at 1:11 pm.

Also present were Administrator Mike McDonough and Administrative Assistant Simone Rathbun. Operations Manager Tim Benes joined the meeting at 2:15 pm.

### B) PUBLIC COMMENT FOR ITEMS NOT ON THE AGENDA

No comments made by the public.

### C) CONSENT AGENDA

The Minutes from the June 17, 2020 Regular Board Meeting and from the June 26, 2020 Special Board Meeting were reviewed and presented for approval. Director Bill Rice moved to approve these Minutes, Director Cecilia Montalvo seconded, Board approved 4/0.

### D) REPORTS

1) The Operations Report was reviewed by Mike McDonough since Tim Benes was on an ambulance call. The monthly transport stats were reviewed. Regarding dry runs, Director Fedoroff wanted to know how long it took before the ambulance was back in our service area and available after a dry run since this information is on the report for other calls. Once Tim was able to join the meeting, he stated that this is something that IT will need to add to the report and the Board requested this be done. Director Rice inquired as to how many transports we have had so far this month. Tim reported that since July 1<sup>st</sup> we have had a total of 28 transports.

2) The Administrator's report and financials were review by Mike McDonough. The current COVID situation was discussed in detail, update was given on bookkeeping and the new payroll system implementation, as well as the new phone system. Mike said were denied one grant and are still awaiting response from the other two we've applied for, and we will be applying for other grants when they open up. Call volume increased in June however the number of transports decreased, most likely related to COVID concerns. Tax revenue was below budget however a Teeter payment is expected in July to catch the District up. Medical supplies were over budget however this should be recovered by future grant-funded reimbursements. There will be an increase in the amount we pay to PERS for employee retirement benefits however we do not know the amount yet. Mike will let the Finance Committee know once he learns how much this increase will be.

Mike is still looking into ambulance fuel options. He will continue to gather information and present to the Board at next month's meeting.

Director Rice pointed out in the budget report that we transferred \$60K this last fiscal year into our contingency reserve account. He also pointed out that year end cash was higher than a year ago making this the second year in a row with positive cash flow.

### 3) Committee Reports

a) President's Report – nothing to report per Director Fedoroff.

b) The Property & Facilities Committee had a conference call on June 19<sup>th</sup> with Directors Barbara Bronson Gray, Cecilia Montalvo, Administrator Mike McDonough, John Kammer of GeoSolutions, and Todd Robinson, Engineer with Coast Engineering and Survey. John reiterated that the slope is not yet stable and that the former (pre January 2017) crew living quarters do not comply with current code as regards distance from the toe of the slope and thus cannot be safely used to house crews. However, the experts agreed that it was safe to remove the K rails. They added that the debris wall was not needed but that it could certainly be redone for aesthetics.

c) The Healthcare Advocacy & Outreach Committee did not formally meet however the Community Leader Forum calls continue on a regular basis. Director Montalvo recommended asking some of these community leaders to be part of the District's Healthcare Advocacy Committee. Director Bronson Gray suggested letting other people in the community who are interested also apply because there are a variety of people who may not be identified as leaders but could bring a broad range of ideas. Director Montalvo also expressed concern over posts she has seen on social media where it appears that some community members do not feel that enough is being done in regards to primary health care in Cambria. She stated that once the survey results are available in August, we should know more about how the community feels. Director Fedoroff stated that Mike, as the District's Public Information Officer, has posted on many social media sites on what the District is doing in regards to COVID-19 and obtaining a primary care provider for the community. Director Montalvo stated that she and Mike are considering setting up a webinar-type forum for the community, in the form of a town hall meeting. The Board supported this initiative. Director Fedoroff suggested that the Outreach Committee contact FCPP and see about having them provide a Nurse Practitioner for our area.

d) Finance Committee – nothing to report per Director Rice. Director Montalvo mentioned her concerns over the June revenue. Director Rice concurred that this year (FY 20/21) has a lot of uncertainties and that once the first quarter is complete, we will know more.

e) The Grants Committee will be meeting on July 16, 2020, per Director Mileur. We are still waiting on a response from the equipment grant we submitted to FEMA and once we do hear we will know more about what to apply for in the future. We also submitted a grant proposal to the Gary Sinise Foundation to upgrade our Motorola radio system. Director Bronson Gray also suggested the District employees consider applying to Project Heartbeat for heart monitors or other prioritized equipment needs. Tim has a meeting Friday regarding Project Heartbeat.

f) Strategic Planning – Director Montalvo stated there needs to be one more meeting so that they can bring together the details from the action items that have been identified.

## **E) REGULAR BUSINESS**

1) Establishment of Administrator's FY 20/21 Objectives – Director Fedoroff stated he asked the Directors for input but received none. A proposed list of Performance Objectives was compiled based on District priorities. Director Bronson Gray raised concern that objectives may be rushed when tied with specific dollar amounts. Director Rice suggested carrying this over to the next Board meeting so that they can review the objectives and get back with input. This item was moved to the August Board meeting in open session.

2) Administrator's Annual Performance Evaluation Form – presented by Director Fedoroff. Director Mileur moved that this Performance Evaluation form be adopted as presented. Director Montalvo seconded the motion and the Board approved 5/0.

## **F) DECLARATION OF FUTURE AGENDA ITEMS**

- 1) Ambulance fuel arrangement plans (Administrator McDonough).
- 2) Setting of goals and objectives for the Administrator (Director Fedoroff).
- 3) Strategic plan update (Director Montalvo).
- 4) Discuss community healthcare survey results (Director Mileur).

## **G) CLOSED SESSION**

The meeting was adjourned to Closed Session at 3:03 pm.

## **H) RETURN TO OPEN SESSION AND ADJOURNMENT**

The meeting returned to Open Session at approximately 3:55 pm with no reportable action from Closed Session and was immediately adjourned.

## Operations Report for the Month of July 2020

### Units

Currently, we have Unit 18 at the shop for repairs. Units that required service/repairs have a brief description of the service/ repair under the mileage totals.

- Unit 16 (back up #1) in service at this time
  - Starting Miles = 218953
  - Ending Miles = 219151
  - Total of 266. miles on the unit and 24.7 gallons of fuel
  - Service/repairs
    - The Unit's wifi was replaced with current technology.
- Unit 17 (back up #2)
  - Starting miles = 221951
  - Ending miles = 221951
  - Total of 0 mile and 0 gallons fuel used
  - Service/repairs
    - The Unit's wifi was replaced.
- Unit 18 (Medic 11 24-hour car)
  - Starting miles = 110479
  - Ending miles = 113579
  - Total of 3100.0 miles and 289.3 gallons of fuel used
  - Service/ repairs
    - The Unit's wifi was replaced.
    - The unit is currently in the tire shop because the passenger side tire was wearing more, the unit pulled sharply to the left when the brakes were applied, and there was a moderate shake in the front at 40 to 50 MPH
      - New front tires
      - New front brakes pads
      - New front brake rotors
      - New front brake Calipers
      - Balancing
- Unit 20 (Medic 12 12-hour car)
  - Starting miles = 16441
  - Ending miles = 18622
  - Total 2181.0 miles and 191.2 gallons of gas used.
  - Service/ repairs
    - The Unit's wifi was replaced.

## Medications/ Supplies

- PPE/Masks
  - N-95 and P-100
    - Currently, we have about 200 of the N-95 masks in stock. A clean mask is required to be worn by all staff members when responding to all calls in the county.
    - We are still waiting on delivery of P-100 masks.
- Medications

We are managing to stay stocked on all current medications. I have been working closely with Cambria Fire and San Luis Ambulance Service. The three of us have worked together in placing orders for high-cost, low-use medication that must now be bought in case lots.
- Equipment
  - Zoll monitors
    - To be discussed later in the meeting, I will cover current needs for repair on 2 different monitors
  - Vacuum Splints
    - I was able to repair 3 of the CCHD vacuum splints that had been damaged.

## Response times and delays

This month we are at 98.2%

- Call Number 20-0678 07/09/2020 – 11 minute delay (crew responsibility)
  - The crew failed to go enroute with MedCom which caused a 4-minute delay in the radio response time. **There was no actual delay in patient care.**
- Call Number 20-0692 07/12/2020 – 11 minute delay. (dry run)
  - The crew experienced a lot of pedestrian traffic in town. The crew explained that pedestrians were not moving out of the roadway for the unit.
- Call Number 20-0707 07/16/2020 – 15 minute delay. (MedCom responsible)
  - On this call MedCom failed to acknowledge that the crew was responding when they first acknowledged the call. MedCom does not have the ability to change the time.

### **Transport Activity Report**

The calls are listed below with a brief explanation of the time delay.

- All calls in this report show that EMS staff made it to the scene in the Cambria immediate response area within 10 minutes.

### **Call volume and transports**

- Night Calls
  - I have looked at all the calls for the month of July and highlighted the night calls in blue. Of the 56 transports last month the night calls totaled 20. These are calls and transports between the hours of 8:00 p.m. and 8:00 a.m. The shortest time that the crew was committed to the call was 1h:17m, the longest time the night crew assigned was 2h:37m. These times reflect the time from dispatch until the crew advises dispatch that they are back in the response area. (Note: that means the unit was near the town of Harmony).
  - On July 17<sup>th</sup> and 18<sup>th</sup>, Medic 11 responded to a total of 5 calls after 8:00 P.M. 4 of them were transports. 1 was a dry run.
- Day Calls
  - The remaining 36 calls took place between the hours of 8:00 a.m. to 8:00 p.m. The shortest amount of time a unit was assigned to a call that was a transport was 1h:03m. The longest time was 3h:35m.

### **Monterey County Calls**

- We had 3 calls in Monterey County in the month of July. Two were not billed more than the basic charges because there was no patient contact. One was a transport and the patient was billed. AMR has been invoiced for all three.

### **Station**

- The handrail in the front of 2515 was repaired. The top plate was replaced, and the rail was tied into the wall for safety.

## **Employees**

- COVID-19 (Same as last month)
  - Currently all of the CCHD employees are healthy. We have not had any affected by the COVID-19 pandemic. We do have plans in place if that were to change. All the crews are in contact with me when they are in contact with a possible patient. I am in contact with the County and hospitals to follow up on the patients. At this time, the District has not transported any known COVID-19 positive patients.

## **Equipment**

- Here are some specific details for the units as requested by board members:
- Cal Fire Unit
  - We have reached out to Cal Fire and Paso Robles Ford. A Predelivery Inspection was completed on the unit on 8/10/2020 at a cost of \$247.50
  - The inspection found that a couple of things we in need of repair. All totals listed are with parts and labor.
    - Software update for the new California required settings
      - \$165.00
    - Rear Main Seal (The technician explained that this seal will dry out over time. It is a common thing to in need of replacement after a 10 year or longer span.)
      - \$1589.00
    - A total of \$1754.00
  - The technician explained that the unit is in exceptionally good condition for the age. He and his staff could find nothing else wrong with the vehicle. The technician explained that at this time there was an error code for the EGR system but as noted they believe that with a cleaning and replacement of air filter this will allow the system reset and possibly not require a new EGR replacement. Should the EGR need to be replaced the total would be no more than \$600.00. He also explained that with proper maintenance this engine and drive train will last will into the 5 to 7 hundred-thousand-mile range. He knows this because 2 vehicles with this engine type are in the Paso Robles area that belong to his customers.
  - Cal Fire has stated that they are not going to cover repairs.
  - I have more information on this unit including new totals for parts and equipment that has slightly reduced the total out of pocket for the unit to offset the cost of the repairs.

- Changes to the total to offset the cost of the repairs
  - I have reached out to Coast and with there help I was able to reduce the cost of the radios from \$2761.69 to \$1649.47 saving the CCHD \$1112.22.
  - The new cost breakdown for the unit is as follows:
    - Unit Cost = \$15,000.00
    - Paint = \$15,000.00
    - Decals = \$1908.00
    - Radios = \$1649.47
    - Knox Safe = \$0.00 (have one that was updated and is ready to place into service)
    - Repairs = \$1754.00
    - Grand Total = \$35,311.47 (plus any DMV fees)
  - See attached documents for new price and info.
- PPE (Personal Protective Equipment)
  - Helmets and gloves
    - In early 2020 at the Strategic Planning Meeting safety gear was not high on the priority list that was presented to the Board. Since that time, it has been brought to management's attention that a lot of the safety gear that staff is currently using is substantially past the required replacement dates. It has been brought to management's attention the equipment is missing or has missing or broken required parts. This is a safety issue that needs immediate attention.
    - I have reached out to several vendors and have quotes to bring this equipment up to date. Estimated cost = \$7,000
    - I have also reached out to Project Heartbeat. They responded that they are willing to help by donating sufficient funds to cover the required equipment.

Cambria Community  
Healthcare District

## **Administrators Report**

Board of Directors Meeting

August 27, 2020

### **1. COVID-19 Briefing –**

- a. We continue to maintain an adequate state of readiness with crews and supplies.
- b. Testing – No local testing is scheduled at this time.
- c. District field staff continues to be illness-free.
- d. AFG-S FEMA grant application for PPE is still outstanding. Some allocations have been rolled out but not all. CCHD is still on the waiting list.
- e. Cambria has had a total of 28 people with positive test results, since March.
- f. SLO County has a total of 17 COVID-19 related deaths. To date, 2278 cases of COVID-19 have been reported in SLO County; 1879 have recovered; 360 are currently recovering at home and 16 are currently hospitalized, with 6 in the ICU.

### **2. Facility Improvements –**

- a. The refrigerator and clothes dryer in the crew's quarters has been replaced.
- b. A new phone system has been installed in the office and operating much better than past equipment and at a cost savings.
- c. Weed abatement for fire protection has been completed behind the CCHD building.

### **3. Bookkeeping/Audit Update –**

- a. Phase 2 estimate for monthly bookkeeping services has been received from Sherrington and forwarded to the Finance Committee for review.
- b. New payroll system in QuickBooks has been tabled until the end of this calendar year due to complications addressed and a collaborated recommendation with Sherrington.
- c. Final Annual audit report hard copies have been received and distributed to the Directors.
- d. In response to the auditor's management letter, a Corrective Action Plan (CAP) for FY 2020/2021 has been prepared and approved by the Finance Committee Chairperson.

### **4. FEMA AFG Grant –**

- a. This application is for needed equipment, gurneys, etc.
- b. Still waiting on response to application...

### **5. FEMA AFG-S (Supplemental) Grant –**

- a. This grant is for COVID-19 related PPE supplies.
- b. Still waiting on response to application. Awards are being made in sections. We are still in the running (no denial).

**6. Stop The Bleed Training Grant –**

- a. Application was submitted last month for \$1200 “Stop The Bleed” training kit.
- b. Still waiting on award acceptance/denial.

**7. Financial Reports –**

- a. Total call volume has increased in July at 18.4% above July 2019, and transports are up 24.4% for the same period. Ambulance revenue is 46.6% above budget and 42.2% above July 2019. The new billing system began April 1, 2020 and we are seeing the positive results in July.
- b. Tax revenue is up 99.8% over budget for July. This is due to our July Teeter payment.
- c. Monterey Contract – CCHD billed AMR for three responses in July. One payment for June was received.
- d. Miscellaneous revenue is over budget due to a medical records request.
- e. Audit fees were under budget due to final payment to the auditor last month. Fy 20/21 audit process to begin next month.
- f. Medical equipment/supplies are over budget 21.9% due to COVID-19 preparation equipment and supplies. Will likely be recovered by future grant-funded reimbursements.
- g. Outreach expenses were over budget due to the Community Survey 2020 costs as approved by the Board.
- h. EMT/Paramedic labor costs were over budget due to the end of fiscal year payout for the full time EMTs and paramedics. They have to cash out their holiday pay and they may cash any or all of their vacation time. The rollover cap for vacation hours is 480 so anything over that has to be cashed out. Subsequently, with these payouts, more retirement monies were due and payable to PERS. Also, we paid \$12,861.05 in June for May, but PERS didn't process it until July 2.
- i. Workers Comp and Liability Insurance has no payment in July as we did not receive an invoice from SDRMA. We are following up with them to ascertain when we can expect one.
- j. The A/R reports includes a self-pay balance as a combination of both claims without any billable insurance and also any patient due balance left after insurance has paid. Out of the current about 60k in the A/R self-pay balance, about 40k of that consists of 13 claims with no billable insurance. Some of these also have no deliverable address to send a statement or a phone number to call. Simone is utilizing all available resources to try and get insurance/patient contact information on these accounts. The remaining balance of about 20k, are patient due balances, for which the patients have been billed. By September 30, 2020 these uncollectable amounts, along with others in the same category, will be written off as uncollectable in compliance with our auditor's most recent recommendations.

**CAMBRIA COMMUNITY HEALTHCARE DISTRICT**  
**AUGUST 6, 2020**  
**PROPERTY & FACILITIES MEETING**

This meeting was begun using Zoom and transferred to conference call due to technical difficulties.

**A) OPENING**

1) Call to order

Director Barbara Bronson Gray called the meeting to order at 9:08 am.

2) Establishment of a quorum

Directors Barbara Bronson Gray and Cecilia Montalvo were present. Committee member Mel McColloch, Administrator Mike McDonough, Operations Manager Tim Benes and Administrative Assistant Simone Rathbun were present.

**B) PUBLIC COMMENT FOR ITEMS NOT ON THE AGENDA**

No members of the public were present.

**C) CONSENT AGENDA**

1) Zoll EKG Monitor/Defibrillator replacement

Staff recommends leasing four monitors. The cost would be \$1,983.91 per month for all four monitors, which would include the service contract. The price for purchasing one monitor is approximately \$40,000, with the warranty.

Barbara suggested leasing two monitors at this time, while we await the outcome of our grant request for two monitors.

Mel McColloch made a motion to approve leasing 2 monitors, cost to be determined and presented to the Board at the next Board meeting, with Committee recommendations. Director Montalvo seconded; Committee approved.

2) Ambulance purchase proposal

Options for replacement were discussed. The CalFire unit is still available. Barbara suggested we recommend a full mechanical inspection if the ambulance before making a purchase or no purchase recommendation to the Board. It was moved, seconded and passed to do so.

3) Slope repair plan

Barbara reviewed the call that she, Mike and Cecilia had with the geologist and engineer. The geologist said that the work on the debris wall would be more cosmetic than functional. Mel said that he does not completely agree with the geologist so he recommended it just be put on the back burner for now. Director Montalvo made a motion to recommend to the Board to not to move forward on this right now. Director Bronson Gray seconded, Committee approved.

4) Portable radio equipment

Time said that each member is currently required to carry both a UHF and VHF band radio. Tim gave an example of this past Saturday when there was a fire locally in Cambria. They were not able to get updates from the CHP Helicopter; this required the CHP helicopter to have to use their PA to communicate with the crew. The 16 radios currently used would be replaced with 8. This would help our crews talk to other agencies during incidents.

Lease to purchase options were discussed. The cost is \$912 per month for 8 radios. Tim has reached out to Project Heartbeat and is waiting for them to get back to him.

Tim and Laurie are currently working with LexiPro, a company that writes grants for radios.

Mel suggested we contact Daou Winery about making a one-time donation to buy the radios; they could receive public exposure through advertising from the Cambria Chamber of Commerce.

Cecilia made a motion that we continue to look for funding for the radios, Director Bronson Gray seconded and the motion passed unanimously.

5) Fuel purchasing –

Mike has explored purchasing fuel from CalFire. They would bill us at their cost, which would be than what we have been paying to the CCSD. We currently have been paying for equipment maintenance as well as the cost of gas but the CalFire agreement would not require us to do that. Also, if our crews are out of the area, they would be able to get fuel at any CalFire station. Mike would like to proceed with the CalFire option.

Mel made a motion to move ahead with the proposed fuel arrangement with CalFire, Cecilia seconded the motion, and it passed unanimously.

**D) FUTURE AGENDA ITEMS**

Director Bronson Gray recommend that the Property & Facilities Committee ask the Board to set forth a seeking funds plan and that we start by actively recruiting funds through Rotary, Project Heartbeat other community nonprofit organizations

**E) ADJOURNMENT**

The meeting was adjourned at 10:40 am.

## **CAMBRIA COMMUNITY HEALTHCARE DISTRICT**

**TO:** Board of Directors Agenda No. E.1

**FROM:** Laurie Mileur, Director

**BOARD MEETING DATE:** August 27, 2020

**AGENDA DESCRIPTION:** CCHD Healthcare Needs Survey - Preliminary Results Review

**RECOMMENDATION(S):** A report on the results of the recent Community Survey Results with discussion only. No Board action required at this time.

**FISCAL IMPACT:** None at this time.

**DISCUSSION:** Approximately 970 surveys were completed and returned by mail/drop-off (75%) or completed on-line (25%) resulting in an overall response rate of 23%. Answers to specific questions indicate:

1. 91% have a primary care provider
2. 38% of primary care was located in Cambria, 50% within SLO County, 8% outside SLO County
3. 80% had 1-5 visits/year with their primary care provider
4. 39% utilized an urgent care facility over the past year
5. 79% of respondents have Medicare coverage
6. 88% of respondents agree that we need more local healthcare services including an additional physician
7. 64% would or most likely would go to a newly recruited local physician for their primary care.
8. 64% agree that we need local after-hours healthcare services
9. 26% would not support versus 50% would or would most likely support a parcel tax to subsidize additional local primary healthcare services.

CCHD Community Survey 2020

#	RESPONSES	DATE
1	Currently, myself and partner do not have a primary care doctor. Out of need, I engaged with my prior primary care doctor following the loss of the primary care physicians office here in Cambria.	8/3/2020 12:24 PM
2	8. If they have one in Morro that would be good enough.	8/3/2020 12:21 PM
3	So glad this survey came out. Thank you to all who worked on it.	8/3/2020 12:20 PM
4	2. Our primary care provider was Dr. Lewis in Cambria before she moved to Paso Robles. 7. Depends on who they are. I am very picky. Just a physician or NP degree doesn't mean I would choose them, just because they are local. 9. I have never lived where I pay taxes just for a Dr. or NP. 10. I am a currently licensed NP in Calif. who has practiced for over 25 years. I have strong opinions about who I would and would not choose as a provider. Very happy with Allison Lewis, MD.	8/3/2020 12:18 PM
5	The lack of health care options on the North Coast of SLO County needs to be addressed. Our condo in San Simeon is our part time home.	8/3/2020 12:13 PM
6	Would support if it had restrictions as to what it could be used for - a set cause.	8/3/2020 9:42 AM
7	No new taxes on parcels. It would be another government rip-off. I will demonstrate against it with marches down Main Street and ask Jarvis Gann for help.	8/3/2020 9:36 AM
8	I was recently at Urgent Care in Morro Bay for a classroom TB test & was told they were opening a clinic here. That would be great!	8/3/2020 9:24 AM
9	I do not think it is wise or prudent to hit up the homeowners for another parcel tax - i.e. School bond for a new grammar school.	8/3/2020 8:56 AM
10	I need to know before hand what you mean " a new parcel tax " and what oversight is there for the tax.	7/31/2020 5:39 PM
11	Get additional Doctor HERE in Cambria. Send bigger envelope in future.	7/31/2020 5:38 PM
12	So, what's your plan?	7/31/2020 5:38 PM
13	CeCe is awesome but only 1 person. Gong is great but almost retiring. Lewis is (was) not to good but left. Yes, we need another Dr.	7/31/2020 5:37 PM
14	Need x-ray facility.	7/31/2020 5:37 PM
15	We recently moved to Cambria (Nov.) and are retired. We have a few health issues and our son, a doctor, was very concerned about the lack of health services nearby.	7/31/2020 5:36 PM
16	An urgent care clinic would be a God-send for Cambria!	7/31/2020 5:35 PM
17	Great services and care are provided by Cesilia Lomeli FNPC, MPH. Cambria is indebted to her excellent, care and concern for her patients.	7/31/2020 5:34 PM
18	Depends on who they are and how they serve the community. We need x-ray equipment in Cambria.	7/31/2020 5:34 PM
19	People talk and I have heard some good things about a Dr. G(?) But reviewing the Cambria Directory there isn't a single medical facility or doctor! I will continue to drive to Arcadia for all of my medical needs.	7/31/2020 5:33 PM
20	#2 c. Paso Robles #4 b. until May 1st #5 d. PPO-United Health Care Both my wife and I strongly supported Dr Allison Lewis' arrival to Cambria last year and we were very disappointed when FCPP relocated her to Paso!	7/31/2020 5:32 PM
21	I DID GO TO LOCAL DOCTOR UNTIL SHE MOVED OUT OF TOWN. SO WOULD DEFINITELY SUPPORT A LOCAL DR	7/31/2020 5:30 PM
22	#3. a. Due to Covid 19 Virus - my yearly physical was canceled. I will have it when we are able to. #7. c. As I go to Dr. Gong, but if he wasn't here I would go locally in Cambria. #8. b. We do have 9-1-1 & our fire dept. is good.	7/31/2020 5:30 PM
23	My primary home is in Visalia.	7/31/2020 5:29 PM
24	LACK OF PRIMARY HEALTHCARE IN CAMBRIA IS THE REASON I AM CONSIDERING	7/31/2020 5:29 PM

MOVING TO MORRO BAY OR SLO. I CANT SEE MYSELF DRIVING TO PASO JUST FOR A DRS APPT

25	"All for health, Health for all" is a non-profit that could come to Cambria. They do not turn people away for lack of insurance.	7/31/2020 5:29 PM
26	You will likely have to recruit a non-profit healthcare system to avoid the current loss of the Tenant Office due to short sighted short term profit-motivated decisions.	7/31/2020 5:28 PM
27	WE WERE SO SAD AND ACTUALLY DISTRESSED TO HAVE DR LEWIS MOVED TO PASO	7/31/2020 5:28 PM
28	#7. a. Depending on the quality of care and service.	7/31/2020 5:27 PM
29	WE HAVE AN EMPTY MEDICAL BUILDING WITH A RAM EQUIP BUT LAST DR DID NOT TAKE THE MEDICARE OR GOLDEN STATE INS WHEN 3/4 RESIDENTS ARE ON MEDICARE. GO FIGURE!!! MY DOG GETS BETTER CARE IN CAMBRIA	7/31/2020 5:27 PM
30	Please try to avoid an FCPP practitioner - I understand from speaking with concerned patients that what happened to Dr. Lewis was common for that group and not a "best practices" behavior. Relationship needs to be maintained for patient trust and feeling of security.	7/31/2020 5:27 PM
31	You really should provide a correctly sized return envelope.	7/31/2020 5:26 PM
32	#2 b. Morro Bay #7 c. no opinion- Depends on who it is. #9 a. strongly support- It depends what would the services be?	7/31/2020 5:26 PM
33	My current primary care provider is CC at CHC, Cambria, for the last several years. She is the best ever.	7/31/2020 5:25 PM
34	We started to see Dr. Allison Lewis until she moved to Paso Robles - That is unacceptable to us and we have not been able to see new doctor closer by - I have an intake with a Morro Bay Doctor scheduled for the end of September. That's really too long to have to wait. But because of Covid-19 that is the earliest I could get.	7/31/2020 5:25 PM

37	THE HEALTHCARE DISTRICT HAS ALWAYS DONE A GREAT JOB FOR OUR FAMILY! THANK YOU FOR BEING HERE AND ALL YOUR DEDICATION	7/31/2020 5:21 PM
38	#7. b. - If they were in my available coverage. #9. b. - Disclosure- I am not a homeowner or parcel owner. We do need more access to urgent medical needs. I love our Healthcare District - they are TOP NOTCH - but we need more staff to take care of less urgent care as well	7/31/2020 5:20 PM
39	KAISER WOULD BE GREAT BUT PROBABLY A LONG SHOT	7/31/2020 5:20 PM
40	RECENTLY MOVED TO CAMBRIA I AM 64 YRS OLD AND NEED DR OR NP CLOSER THAN PASO OR SLO	7/31/2020 5:19 PM
41	MY HUSBAND AND I FILLED OUT SEPERATE FORMS BECAUSE OUR SITUATIONS ARE DIFFERENT. I'M SO GLAD YOU ARE DOING THIS. THANK YOU CECELIA MOORE	7/31/2020 5:17 PM
42	#1 blank. "Looking" #2 a. We had Dr. Lewis-she left. #4 a. 0-1 We need a Dr. to see in Cambria- We have to drive to Paso Robles or San Luis- Hard to get there.	7/31/2020 5:17 PM
43	#2. e. Fresno #7. b. We are transitioning from Fresno full time here & in the next year it would probably be a Strongly Agree.	7/31/2020 5:17 PM
44	CECE IS A TERRIFIC NURSE PRACTITIONER AND AS GOOD AS ANY MD I HAVE EVER HAD. SHE LISTENS, SHE FOLLOWS UP AND SHE UNDERSTANDS END-OF-LIFE ISSUES. WE HOPE SHE'LL BE HERE FOR A LONG TIME	7/31/2020 5:16 PM

49	#7. a. If they will accept us. #9. b. it depends on amount We're not seen (by) our primary care doctor since she relocated to Paso Robles. This is burdensome for us and we'll hope to change our primary care doctor (maybe to a Morro Bay doctor). We liked Cecilia Lomeli, PA at CHC, but it is no longer feasible with Golden State Medicare B Health plan.	7/31/2020 5:13 PM
50	#2 used to be in Cambria but was moved to Paso. We really didn't like how abruptly Dr. Lewis was moved to Paso - with no replacement here.	7/31/2020 5:12 PM
51	I USED TO LIVE IN SAN LUIS OBISPO THIS IS WHY I CONTINUE TO GO TO SLO AND SEE MY OLD DOCTOR. I KNOW MANY PEOPLE IN SAN SIMEON TO RAGGED POINT AND UP THE COAST WHO HAD A DOCTOR CLOSER TO PASO ROBLES AND MORRO BAY. WE NEED MORE SERVICE NOT LESS	7/31/2020 5:12 PM
52	Cambria is a senior citizen town - we need medical personnel as San Luis Obispo is a 45 min. drive.	7/31/2020 5:11 PM
53	Cambria is a wonderful place to live but people do get sick, have accidents etc. and help should be close by to save the life.	7/31/2020 5:11 PM
54	We are currently very happy with our internist in Templeton but he is getting older and my retire and we are getting older and may not want to drive over the hill.	7/31/2020 5:10 PM
55	WE USED DR LEWIS AND THEN SHE WAS RELOCATED TO PASO. SHE WAS PERFECT FOR OUR NEEDS. WE DESPERATELY WANT LOCAL MEDICAL SERVICES.	7/31/2020 5:09 PM
56	Live here 50% of the time and want a local doctor.	7/31/2020 5:09 PM
57	#2 d. South County too. At the least 1 primary care physician please.	7/31/2020 5:08 PM
58	I am fortunate to have one of the best, or THE BEST Doctor's in the county. I would always choose him if I had a problem. But if something happened that required immediate care I would use the Community Health Care if necessary. (I) live alone.	7/31/2020 5:08 PM
59	Thank you for the concern shown by this survey.	7/31/2020 5:08 PM
60	I THINK DR LEWIS' FIRM SHOULD BE LITIGATED FOR DESERTING CAMBRIA, ESPECIALLY DURING A PANDEMIC	7/31/2020 5:07 PM
61	CAMBRIAS DEMOGRAPHICS WARRANT IN-TOWN HEALTHCARE PROVIDERS. OUR ELDER RESIDENTS, WHO WISH TO RESIDE HERE FOR THE REMAINDER OF THEIR LIVES, DESERVE THE CHOICE OF MORE THAN ONE IN-TOWN DOCTOR	7/31/2020 5:06 PM
62	I am very happy with CeCe Lorreli N.P.	7/31/2020 5:05 PM
63	CRAIG BROWN IS A VERY GOOD DOCTOR WHY DID YOU LET HIM GO? NOW I HAVE TO DRIVE TO PASO ROBLES TO SEE HIM - PAIN IN THE POSTERIOR	7/31/2020 5:05 PM
64	VERY DISAPPOINTED THAT DR LEEVIS IS GONE	7/31/2020 5:04 PM

78	#9. b. - if amount is reasonable for fixed income people!	7/31/2020 4:34 PM
79	#6. a. There is none now. Mine, Dr. Lewis, moved to Paso Robles! WHY? We need medical services in Cambria, and we need open communications to FCPP's patients!	7/31/2020 4:33 PM
80	Family of 2 has had satisfactory care from Com. Health Services and primary care provider of Com. Health Services.	7/31/2020 4:31 PM
81	Here's the problem. We've had 4 PCPs since we moved here in 2005. Didn't like any of them, but number 5 we do like and wouldn't want to switch now. Especially after Dr. Lewis was taken away. With our older population, we do need better urgent care locally.	7/31/2020 4:29 PM
82	#7. b. We were seeing Dr. Lewis in Cambria - were happy with her & are now following her to Paso. I/we would like to see more medical services in Cambria, but would be reluctant to switch care from Dr. Lewis to a new physician in Cambria without a guarantee that the new physician wouldn't leave Cambria for an extended period of time. i.e., 5 years.	7/31/2020 4:27 PM

87	#9. b. depending on amount One thing we have here are wonderful EMT's and service when we call 9-1-1. Could we print out a list of all the options available? Not sure everyone knows about CiCi, the Dr. that does house calls, when to use 9-1-1, Dr. Gong, etc. We are lucky we are healthy but would like to see more options in town. It would greatly help people who can no longer drive.	7/31/2020 4:15 PM
88	#4. a. 2+ years ago; too many forms, extra cost w/ not accepting health insurance and very poor knowledge led us to abruptly leave and go to French. #7. Left blank. "Experienced" #9. c. Based on commitment to accomplish agreed upon goals!	7/31/2020 4:11 PM
89	#7. a. After Dr. Gong retires. #9. b. We don't trust the tax would go 100% to health care services as specified here. WE WOULD SUPPORT IT OTHERWISE.	7/31/2020 3:56 PM
90	I wish Kaiser would come to SLO. When we asked Kaiser about it, we were told that communities raise their hospital rates when they move into a community. so there's no cost incentive to bring Kaiser here.	7/31/2020 3:53 PM
91	#7. e. I will stay w/ Dr. Gong. When he leaves then yes.	7/31/2020 3:51 PM
92	#1. a. Dr. Lewis who moved to Paso #2. Respondent answered c. & d. #8. a. 158	#2. Respondent answered c. North County & d. South County My husband had his first appointment with Dr. Lewis just before she was transferred and could change but only if it was to a doctor.	7/31/2020 10:50 AM
159	I think two local MDs and one nurse practitioner are essential for Cambria. After hours care would be ideal so driving to MB, SLO, Templeton or Paso is unnecessary. If the Mds and services are good, word will get around that using local services are a good option and with supporting a parcel tax for.	7/31/2020 10:49 AM
160	#7. b. I do really appreciate Ceci Lomeli; if she were not here I would definitely look for another Cambria primary care provider and would prefer a "full" physician. #8. d. For after hours & weekend services I can be satisfied with Morro Bay & SLO options. However, it would be a wonderful "luxury." #9. c. It would depend on the cost. Thank you for the survey!	7/31/2020 10:49 AM

320	<p>For 20 years Dr. Robert Gong has been my family's physician. He. knows everything about us and I value his opinion even if he is not a specialist. I will continue seeing him until he retires. I do believe additional physicians are needed in Cambria but most people who live here complain about everything and everyone who sets up shop, including the one who has been here for 40 years. Why would a doctor want to invest in living and working in a town where most people do not appreciate the value of buying locally and supporting a business that provides what they need when they can drive to SLO and pay less. The newer members of our community do not have sweat equity in our town and do not seek to support it being sustainable. They should be willing to pay for a new medical center solely on the fact that a new doctor and services are in town, not because our taxes pay for them to be provided. Since the majority will continue to complain about the cost and quality of local services, they can trot their butts to SLO or Templeton and get what they clearly believe they deserve. And that is where a doctor will set up because they can have a large patient population in a bigger community. Cambria continues to evolve as new people spend lots of money for their retirement home. They are initially attracted to the small town life but then quickly realize it isn't what they are accustomed to and miss their Starbucks and Olive Garden and CVS. They want to change what we have to make it what they just left. I believe people should move here and assimilate, become a contributing member of our community by supporting what is sustainable and works for our rural life. Ask what is needed, research what is sustainable, do not tell us what we are missing. This is not Carmel or Sausalito or Laguna Beach. Ideally it would be great to have alternatives and better services for our community, but we have lived a long time with the businesses and services that survive. If the new doctor is not invested in our community, they will eventually leave because there isn't enough business here to support what they might offer. We just lost one and I do not see how paying a tax to keep another is worth it. We can't even get consensus on a water plant because the native Cambrians do not want growth and the NIMBYs bought their piece of heaven and don't want to support growth for more neighbors. We just need a backup plan, not growth, but fear and one sightedness keeps us arguing. The truth is, in 10 years or so the classic locals will have moved away or passed on and there will only be the new folks with all the money to buy million dollar houses and no one to serve them. Best of luck in figuring this all out.</p>	7/19/2020 1:03 PM

322	<p>It's not clear (to me) from the survey what additional primary healthcare services would be subsidized with a new parcel tax. If the parcel tax is to subsidize a primary care provider, I would not support. If the parcel tax is to subsidize an urgent care facility (of some sort), perhaps that would make sense.</p>	7/19/2020 7:48 AM

328	<p>Cambria has a primary care provider, Cesilia "Cece" Lomeli, NP at CHC. She is very knowledgeable, caring, compassionate and is by far the best provider my family and I have ever had. She goes above and beyond for all her patients each and every day.</p>	7/17/2020 4:28 PM

they refer me to labs whose reports go right into Dignity's site and they refer me to French Hospital for scans, etc. If the provider in Cambria was in the Dignity network I would likely use him/her instead of going to SLO. If Cambria provider not with Dignity then I may only use him/her for routine or acute checks (strep throat swab, etc.) and would not mind that they were out of network. If Cambria provider is excellent and becomes well-established here, I may switch from Dignity to them entirely...all depends on their abilities. Please keep me informed:

364	10 it did have a doctor named doctor Lewis here but she was taken away from Cambria because they needed her in paso cause they lost their doctor there. Just because paso couldn't keep their doctor they shouldn't be taking one from us. Cambria and San Simeon have a lot of older people and they need a doctor more then pass a robeless there are many over there. So what are you gonna do about it?	7/14/2020 1:18 PM

366	[REDACTED] I spoke with the only doctor in town a few years ago and was uncomfortable with a male doctor so I still go to Palo Alto where I moved from. If I had a female doctor I would go here. I'm worried that in an emergency I'd be in trouble since I might not be able to drive 4 hours.	7/14/2020 12:33 PM

371	[REDACTED] Saw Dr Allison Lewis 5 times in 2019 She became my primary care physician after I left my Doctor of 20 years ( north / Los Gatos, CA) because of being here in Cambria more and because of aging. (Tried a doctor in Templeton and in SLO/ very appreciative of Dr Lewis and her presence in CAMBRIA ! My last visit was [REDACTED] Made an appt for [REDACTED]. Last week FCPP sent an email to me to verify that I would be there for the [REDACTED]. I responded Yes. On Friday I received a landline call from "Front Desk" ( FCPP) telling me Dr Lewis will not be in the office next week. They cancelled me !! And they could not tell me when or if she would be back . So, do I have a primary care physician??? Does not look like it !! I am not willing to pay extra on my tax bill for a doctor who can be moved away, out of Cambria, and for a health group as incompetent as FCPP. We have been in Cambria over 30 years and have heard nothing but praise for our EMergency people!!! We appreciate how well they are serving our community. Thank you. [REDACTED]	7/12/2020 11:34 AM

**CAMBRIA COMMUNITY HEALTHCARE DISTRICT**

**TO:** Board of Directors Agenda No. E.2

**FROM:** Mike McDonough, Administrator

**BOARD MEETING DATE:** August 27, 2020

**AGENDA DESCRIPTION:** Ambulance Fuel Purchasing

**RECOMMENDATION(S):** A report on the status of the fleet fuel purchasing process and discussion for recommendation of possible Board authorization for the Administrator to enter into a MOU with CalFire to purchase fuel.

**FISCAL IMPACT:** Potential cost savings of approximately \$1,000/year. No maintenance fees or other costs.

**DISCUSSION:**

Calculations are based on the difference in the most recent fuel pricing data from both entities, projected over a typical year fuel usage. Approximately \$.20/per gallon different. Unknown maintenance cost through CCSD and no maintenance cost with CalFire. Cambria FD/CCSD will continue to be utilized as a backup fuel source.

**TO:** Board of Directors Agenda No. E.3

**FROM:** Cecilia Montalvo

**BOARD MEETING DATE:** August 27, 2020

**AGENDA DESCRIPTION:** Strategic Plan Update

**RECOMMENDATION(S):** An update on the status of the District Strategic Plan with discussion of any future consideration of Board direction on future capital expense projects.

**FISCAL IMPACT:** Unknown at this time. Conceptual projections of future capital expense projects.

**DISCUSSION:**

**CAMBRIA COMMUNITY HEALTHCARE DISTRICT**

**TO:** Board of Directors Agenda No. E.4

**FROM:** Barbara Bronson Gray, Director; Mike McDonough, Administrator; Tim Benes, Operations Manager

**BOARD MEETING DATE:** August 27, 2020

**AGENDA DESCRIPTION:** Zoll Monitor Procurement

**RECOMMENDATION(S):** Waiting on an update on the District's AFG grant request for two Zoll monitors. Consider for Board action a recommendation from the Property and Facilities Committee for the District to lease two Zoll monitors now, and, if not successful with the grant request for two additional monitors, lease two additional monitors.

**FISCAL IMPACT:**

- \$122,262.00 total for four monitors
- 60 months (payments) = \$1,886.30/mo. (excluding tax)
- \$67524.90 total for two monitors
- 60 months (payments) = \$1125.42/mo. (excluding tax)

**DISCUSSION:**

- Full service warranty included
- All auxiliary accessories included
- Replacements needed for outdated and unserviceable required equipment
- Risk reduction in District liability

**CCHD Administrator Performance Objectives FY 20/21 - Proposed**

1. Complete the Corrective Action Plan to resolve issues and comments included in the District's auditor's report for FY ending 6/30/2019. Complete by September 30, 2020.
2. Complete District Policy updates for Board review by the November 2020 Board meeting.
3. Complete the Annual Audit of FY ending 6/30/2020 by December 31, 2020.
4. Prepare, by March 31, 2021, the first draft of the operating and capital budgets for fiscal year 2021 – 2022 for submission to the Finance Committee no later than April 30, 2021.
5. Prepare a 5-year capital plan including only prioritized items by June 30, 2021.
6. Develop, deploy and implement a measurement tool for employee satisfaction and establish improvement goals to include the following:
  - Establishing and achieve a goal for staff vacancy rate.
  - Prudently managing finances (meeting budget, maintaining reserves).
  - Identify measurable standards for patient care quality on scene and in transit.
  - Work on these metrics and deploy the tools necessary to report results to the Board quarterly.

**TO:** Board of Directors Agenda No. E.6

**FROM:** Barbara Bronson Gray, Director; Tim Benes, Operations Manager

**BOARD MEETING DATE:** August 27, 2020

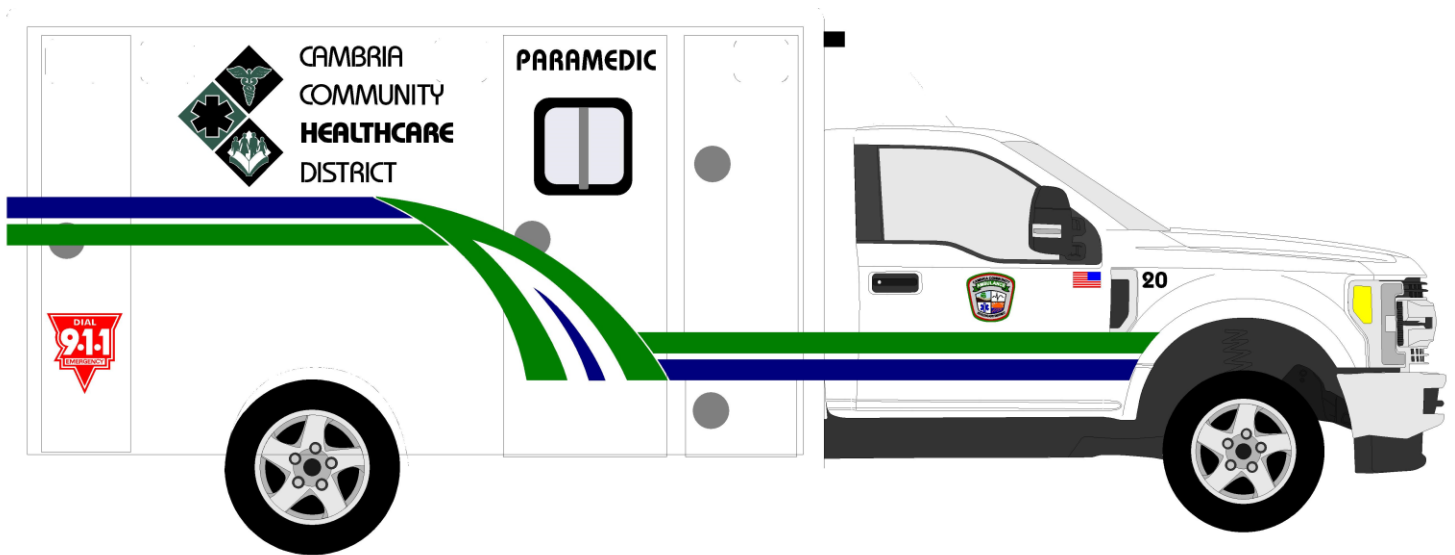

**AGENDA DESCRIPTION:** CalFire ambulance procurement proposal

**RECOMMENDATION(S):** Discussion for possible Board approval of purchase of a surplus CalFire ambulance.

**FISCAL IMPACT:** Approximately \$36,000 capital expense total. This includes purchase, recommended repairs, paint, decals, lettering and radio equipment.

**DISCUSSION:** Options for this procurement have been provided and discussed in prior meetings. The CalFire ambulance is still available but will be going to auction after September 1<sup>st</sup>. A full mechanical inspection has been completed and maintenance repairs are estimated at \$1,754.00. The mechanic has stated that the vehicle is in excellent condition, especially for its age. It has just under 25k miles, 13 years old, stored in a barn.

1 DRAB CAMBRIA AMBULANCE IS CONSIDERING BUYING THE VEHICLE AND WOULD LIKE THE POWERTRAIN CHECKED OVER AS A PRE-PURCHASE INSPECTION	C	94	247.50

Name 42 Gabriel Carreno

**Cause:** Checked over the vehicle and found the check engine light is illuminated solid while driving and the truck does have a low power condition under acceleration and excessive black smoke from the tailpipe. Checked for codes and found P0299 stored for turbocharger under boost condition. Checked over the engine and found the engine air filter and very dirty and plugged up causing the turbocharger under boost condition. Also noted the charge air cooler pipe connector on the hot side is blowing some oil when driving which should be replaced. We found the powertrain control module does have a software update available and the engine is leaking engine oil out of the rear main seal.

**Correction:** \$165 to perform software update to powertrain control module --- \$1,589 to replace the engine rear main crankshaft oil seal --- Recommended repairs documented only at this time, no repairs performed.

**CAMBRIA COMMUNITY HEALTHCARE DISTRICT**

**TO:** Board of Directors Agenda No. E.7

**FROM:** Tim Benes, Operations Manager

**BOARD MEETING DATE:** August 27, 2020

**AGENDA DESCRIPTION:** Safety Equipment Purchase

**RECOMMENDATION(S):** Request Board approval for purchase of new safety equipment for ambulance personnel. Project Heartbeat recently stated that grant funding for this project is available.

**FISCAL IMPACT:** None. Approximate \$7,000 capital expense funding via grant.

**DISCUSSION:** This includes purchase of new safety equipment for the ambulance personnel and command staff to include helmets with eye protection and lights, safety jackets and extrication gloves. This OSHA-required safety equipment, currently in service, is old and worn beyond a reasonable lifespan. In the case of the extrication helmets, they are past the manufacturer's expiration date and are no longer certified. This incurs risk and liability to the District and needs to be addressed as soon as possible.

**CAMBRIA COMMUNITY HEALTHCARE DISTRICT**

**TO:** Board of Directors Agenda No. E.8

**FROM:** Barbara Bronson Gray, Director; Director; Mike McDonough, Administrator

**BOARD MEETING DATE:** August 27, 2020

**AGENDA DESCRIPTION:** On scene photography

**RECOMMENDATION(S):** Review policy/procedure related to photography on calls or on scene and/or at homes, for discussion and consideration.

**FISCAL IMPACT:** None.

**DISCUSSION:** Concerns have been voiced regarding the use of one-scene photos on social media websites. There is not a current policy in place specifically attributed to this issue. There is a new Standard Operating Procedure (SOP) addressing this activity in the new SOP manual due for implementation September 1<sup>st</sup>, 2020.

**CCHD Standard Operating Procedure (DRAFT)**

**10.08 Internet, Social Media and E-mail**

10.08.010 Purpose

The Cambria Community Healthcare District's ("District") computer systems, including all hardware and software, are the exclusive property of the District and are provided for creating and transmitting business-related information. The District treats all computer files, including electronic mail (e-mail), whether sent or received, as business information. The purpose of this policy is to:

1. Ensure that the computer systems are used for appropriate District business;
2. Notify employees that they have no right to privacy in the use of the computer systems, including e-mail or Internet; and
3. Notify employees that the District reserves the right, with or without notice, to access, monitor, review, copy and/or delete any computer files, including e-mail sent or received, and all website communications or transactions.

10.08.020 Definitions

"Social Media" shall be defined for purposes of this policy as any publicly shared medium where users post content or share files. Examples of social media include, but are not limited to, Facebook, Twitter, Snapshot, and Instagram.

10.08.050 E-Mail Use

1. All e-mail business communications to non-District employees should use an appropriate professional tone, correct spelling, and proper grammar.
2. The District reserves the right to access, monitor, copy and/or delete any e-mail communications made on the District computer systems.
3. There should be no expectation of privacy in the use of e-mail. Employees should not use District e-mail facilities to create or transmit information they wish to keep private.
4. When transmitting messages via e-mail, employees should be aware that e-mail messages can be read by persons other than the addressee, and that messages may be later disclosed to outside parties. E-mail messages, including but not limited to, information relative to public projects or policy decisions may be subject to disclosure under the California Public Records Act (Government Code Section 6250 *et seq.*). E-mail messages may also be subject to disclosure in litigation or administrative proceedings in the same manner as other District records.
5. E-mail messages sent to and received from attorneys representing the District are privileged communications. Such e-mail communications shall not be distributed or copied to unauthorized individuals.

10.08.075 Social Media Use

The purpose of this policy is to protect public data, private personnel (employee) data, ambulance patients, the public, the operations of the District, and public confidence in the District and its employees and the Board of Directors. This policy is not intended to limit the right to freedom of speech or expression, but is intended to protect the rights of the District, its members, and the public the District is committed to protect. Employees are

advised that their speech, directly or by means of instant technology either on or off duty and in the course of their official duties that has a connection to their professional duties and responsibilities, may not be protected speech under the First Amendment to the US Constitution. Speech that impairs or impedes the performance of the District, undermines discipline and harmony among coworkers, or negatively affects the public's perception of the District may be subject to disciplinary action.

#### 1. Ownership of Work-Related Images.

All photos, videos, digital images, or recordings taken by any employee or agent of the Cambria Community Healthcare District while responding to any call for service or other emergency or while engaged in any training are "work related images" and are the property of the District. Work-related images include, but are not limited to, any written, auditory, or visual messages communicated via or on District resources or via or on personal devices or social media, and videos or pictures gathered while on District business.

#### 2. Permission to Take Work-Related Images.

Work-related images shall not be taken of any emergency response or training exercise except as permitted by policy or as directed by the Operations Manager or Administrator. All work-related images shall be taken using District-issued equipment, unless otherwise directed by the person in charge of the scene. Work-related images taken by District employees using privately owned equipment are also governed by this policy.

#### 3. Reasons for Taking Work-Related Images.

Photos or other recordings may be taken to assist in the diagnosis or treatment of patients, if allowed by protocol or law. Such images should be forwarded to the appropriate medical care provider and then be deleted from District files. Work-related images, including recordings showing possible evidence of a crime, must be forwarded to law enforcement. Other work-related images used for internal, departmental purposes such as training or publicity shall be taken in a manner that removes the possibility of identifying patients.

#### 4. Control and Dissemination of Work-Related Images.

All work-related images shall be stored in the District's computer system and be governed by the District's records management policies and procedures. Work-related images shall not be stored, retained, or disseminated in any manner by anyone other than the persons appointed to review all images and approve retention, release, or dissemination and cannot be used for personal profit or business interests or to participate in personal political activity.

#### 5. Professionalism and Public Confidence.

The appearance of professionalism is important to public safety and the public's confidence and trust. Accordingly, an employee's personal use of social media shall not use any work-related images, department logos, or any images which depict an employee in any uniform or in which the employee uses his or her job title or is otherwise identified as an employee of the District, without prior approval from the Administrator. Similarly, in order to maintain the appearance of professionalism and public confidence, no employee shall post any material on any social media that is detrimental to the District's effective operation. Employees shall not disseminate protected, private, nonpublic, or confidential information including, but not limited to, the following:

- (a) Matters that are under investigation
- (b) Patient and employee information protected by HIPAA/medical confidentiality laws
- (c) Personnel matters/data that are protected from disclosure by law.

#### 6. Reporting Violations.

Any employee becoming aware of or having knowledge of a posting or of any web site or web page in violation of this policy may anonymously report such possible violations to the Administrator. Confidentiality will be protected.

## 7. Penalties for Violation of Policy.

Violation of this policy may be considered an extraordinary breach of the public's expectation of privacy and of the District's policies and regulations regarding the use of social media and may subject the offender to discipline and possible termination of employment.

### 10.08.100 Internet Use

1. Employees may access the Internet so long as it does not adversely affect the ability to perform work duties.
2. Employees have no right to privacy in the use of the Internet on District computer systems.
3. The District reserves the right, with or without notice, to access, monitor, review, copy and/or delete any computer files, including any and all website communications and/or transactions by District employees. The District further reserves the right to monitor any employee's Internet use for the purposes of determining whether such use is appropriate or acceptable.

### 10.08.150 Prohibited Uses of E-mail and the Internet

Prohibited uses of e-mail and/or the Internet on District computer systems include, but are not limited to, the following:

1. To access any materials that are obscene, pornographic, or in poor taste;
2. To transmit sexually explicit images, messages, and/or cartoons; ethnic or racial slurs, or anything that may be construed as harassment or disparaging of others based on their race, national origin, ethnic group identification, religion, age, sex, sexual orientation, marital status, color or physical or mental disability;
3. To play games;
4. To conduct illegal activities, such as, but not limited to, gambling, commit a crime or fraud, or violate any federal, state or local law;
5. To use the user-name or password of another person to gain access to his/her e-mail or any other computer file or account without that person's permission;
6. To transmit sensitive or privileged information to unauthorized persons or organizations;
7. To download or otherwise acquire software without prior consent of the District Administrator, or his/her designee; and
8. To use the Internet in any manner that causes confidential or sensitive information to be subject to eavesdropping or interception by unauthorized individuals.

### 10.08.200 Computer Systems - Hardware and Software

Prohibited activities with regard to employee use of District computer systems - hardware and software - include, but are not limited to, the following:

1. Installing programs on District computer systems without prior consent of the District Administrator, or his/her designee;
2. Copying any District computer program for the purpose of using it on any other computer without the prior consent of the District Administrator, or his/her designee;

3. Connecting computers, including laptops and personal computers not owned by the District, to the District's information systems network without prior written consent of the District Administrator, or his/her designee;
4. Disclosing an employee's account or e-mail password, or otherwise making such account available to others;
5. Infringing on other employee's access and use of District computer systems, including, but not limited to:
  - a. Sending excessive messages, either locally or offsite;
  - b. Unauthorized modification of system facilities, operating systems, or disk partitions;
  - c. Attempting to crash or tie up a computer or network;
  - d. Damaging or vandalizing District computing facilities, equipment, software, or computer files;
  - e. Intentionally using or developing programs that disrupt other computer users or which access private or restricted portions of the system and/or damage the software or hardware components of the system; or
  - f. Introducing or allowing the spread of any virus or destructive information, file, or other item.

#### 10.08.250 Connection of Personal Computer and Internet Capable Devices to District Internet/network Connections

Personnel may, with written consent of the Administrator, connect personal computers to the District's Internet connection under the following conditions:

1. Connection may be made by either cable or "WIFI".
2. Personnel may not access District computer systems to access or download files or programs through the network system
3. The provisions of policy 10.08 shall apply to use of personal computers while on District premises.

#### 10.08.300 Violation of Policy

Any violation of this policy, or other inappropriate use of the District's computer systems, including e-mail and Internet activities, is considered a serious violation of District policies and may result in disciplinary action as outlined in Section 10.05 of this manual.
