

ADDENDUM NO. 3

Date of Addendum: August 23, 2021

REQUEST FOR PROPOSALS – Ambulance Station/Administrative Offices Pre-Design

This Addendum modifies the Request for Proposals as described herein.

1. Clarification of Addenda No. 1 and No. 2

Addendum No. 1 addresses how and when the financial statement is submitted: The financial statement is not required to be submitted with the Proposal or Fees by the submission deadline. After the District's evaluation and selection of the "most qualified firm" and before the start of negotiations, the District will notify the most qualified firm to provide their financial statement to the District's Chair of the Finance Committee for review. Thus, only the most qualified firm will submit their financial statement. However, as the most qualified firm will not be known until the end of the District's evaluation process, all proposing should be ready to provide their financial statement in the event they are selected.

Addendum No. 2 addresses the acceptable form for the financial statement: In order to perform its due diligence, the District expects the financial statement contain the usual elements - assets, liabilities, revenues, expenses, etc. Letter statements from the firm's CPA are not an acceptable substitute.

2. Public unsealing of Proposals – change of venue

Proposals will be publicly unsealed at the Cambria Community Healthcare District Administrative office located at 2511 Main St., Suite A in Cambria. This event will also be shown live on Zoom.
